Welcome

Parking and Transportation Services (PTS) develops and manages parking and transportation programs on CU-Boulder's Main Campus, East Campus, and in the Williams Village residential area. You may contact us online at www.colorado.edu/pts, in person at 1050 Regent Drive, by phone at **303-492-7384**, or e-mail at pts.business@colorado.edu. Complete parking regulations are available by phone request and online. Everyone who parks on campus is bound by these regulations.

The University of Colorado at Boulder is granted its authority from Colorado Revised Statute 23-5-107 to create rules and regulations including but not limited to control of parking spaces, assignment of parking permits, removal of vehicles parked in violation, and assessment of fines for violations.

Parking Permits

Faculty, staff, and student parking permits are available for purchase online at specified times. Personal permits must be paid for by the individual, not with university funds. Display your permit when parking in your regular lot or in your overflow lot if your primary lot is full. **Be sure to register all permitted vehicles you will park on campus with PTS'.** Return your permit for a prorated refund if you no longer need it. Do not give it or sell it to another person. On occasions when routine parking patterns are changed because of an event, parking staff will provide permit holders access to a temporary parking lot.

Visitors and Vendors

Visitors and vendors pay for campus parking by purchasing a permit or by paying a meter, pay station, or attendant. Short-term visitor and vendor permits are available at 1050 Regent Drive. All authorized parking areas at CU-Boulder are designated by signs.

Special Events

If you are planning a campus event that requires parking for more than four vehicles, please call **303-492-7384** for assistance. We create parking and traffic plans for nearly 2,500 events each year. We can help with all parking arrangements including those for people with disabilities.

University Holidays

Campus parking is free on university holidays when business offices are closed. See www.colorado.edu/humres/holidays for a complete list of official CU-Boulder holidays.

Reciprocal Parking

Student, faculty and staff permit holders from the CU-Colorado Springs, CU-Denver Downtown, and Anschutz Medical campuses may park free in CU-Boulder Main Campus lots 308 and 436 and in East Campus lot 560 by displaying their home campus permit. Parking in other lots requires a fee. CU-Boulder permit holders visiting other CU campuses may park free by displaying their valid CU-Boulder parking permits in designated lots on those campuses. For more information, visit www.colorado.edu/parking/parking/permits.

Citations

If you receive a parking citation on campus, please do not ignore it. To pay or appeal a citation, contact us at **303-492-7384** or visit our customer service window on Regent Drive.

- Meters and More**
- **Meters & Pay Stations:** Read all parking signs. Pay gray and blue meters seven days a week, 7:30 a.m. to 5 p.m. Park at blue meters only when displaying a disability placard or license plate. Many pay stations accept \$3 visitor payments between 5 p.m. and 7:30 a.m. when permit restrictions are not in effect during normal business hours. Display the receipt issued by the pay station on your dash. Pay red meters 24/7.
 - **Weeknights and Weekends:** Some parking lots are free from 5 p.m. to 7:30 a.m. weeknights, Saturdays, and Sundays. Several lots with pay stations become visitor lots from 5 p.m. to 7:30 a.m. weeknights, Saturdays, and Sundays. Pay \$3 at the pay station, and display the receipt on your dash.
 - **Loading Docks:** Docks exist at most buildings. Park free at a dock for 15 minutes while loading or unloading a vehicle. Take care not to block driveways or dumpsters.
 - **As a campus auxiliary, PTS is self-supporting.** The sale of parking permits is the primary source of revenue. PTS provides a wide range of services including providing new and improved parking facilities, coordinating parking and traffic control for many campus events, updating technology to improve customer convenience, and the Faculty/Staff Ecopass for free employee transit in the RTD system.

- Visitor DOS and DON'Ts**
- DO park only in designated parking spaces.
 - DO pay meter and pay-station fees.
 - DO obtain a parking permit for a permit-controlled lot.
 - DO respond to parking citations.
 - DO not block driveways, sidewalks, streets, or loading docks.
 - DO NOT park adjacent to yellow curbs or posts.
 - DO NOT alter the date on a temporary permit.
 - DO NOT park in ADA-accessible parking spaces without displaying a state-issued disability license plate, placard, or permit.
 - DO use service vehicle parking spaces whenever possible.
 - DO display the correct permit whether parking at a work site or in a permit-controlled lot.
 - DO pay meters and pay stations.
 - DO respond to citations.
 - DO NOT alter the date on a temporary permit.
 - DO NOT drive on campus sidewalks during class changes.
 - DO NOT park in ADA-accessible spaces without a state-issued disability license, placard, decal, or permit.
